Forum Report September 2018

Notes From a Grateful President:

This is my final forum report as your President. First, I want to express my thanks to you for your commitment to MALEHA, Public Health in Michigan and the trust that you have placed in me as President. It has been an amazing experience carrying our message forth both in writing, countless phone calls and attending meetings. The experience both stretched me as a professional and has given me opportunities to work with some amazing professionals over the past 12 months. At the end of my term, MALEHA is an organization that is well organized and is a strong voice for Public Health.

Over the past year, we have tackled or are still working on the following issues: Accreditation Changes, Agricultural Water Wells, Parjana, Lead/Copper Rules, State Sanitary Code, many House/Senate Bills, FSMA, Geo-thermal Closed Loop, Cross Jurisdictional Communication, Harmful Algal Blooms, Vapor Intrusion, Opioid Response, and Michigan Food Law revisions. As you can see, MALEHA is active and striving to respond to our ever changing roles in Public Health

Transition in leadership is both healthy for an organization and is vital for the long term success of MALEHA. We are fortunate to have Kristen Schweighoefer assume the role of MALEHA President. Kristen is a proven leader that will work well with our state partners and will carry our message to all of our stakeholders. I thank her for her tireless work as our past Food Committee Chair/Co-Chair and wish her the best in her new leadership position as MALEHA President.

I leave you with a heartfelt request. Please consider becoming an active member of MALEHA. For those of you that actively participate in MALEHA, I thank you. For those that are new to MALEHA and are uncertain of taking the next step up in your involvement, I encourage you to sign up for committees. Consider running for MALEHA Board positions, committee chair positions and positions on the Executive Committee. Please trust me when I say that I have grown as a professional over the past 10 years by my involvement with MALEHA. This organization has given me the opportunity to work with talented professionals in all areas of public health. Please reach out to your MALEHA Board members if you have any questions.

Many thanks MALEHA, I look forward to many more years of participation and tackling issues as we are the Public Health voice in Michigan for LPH.
