

Crisis Standards of Care: Insights from COVID-19 and Recent Pharmaceutical Supply Challenges

January 15, 2025 – 1:30-2:30pm (Eastern Time)

The U.S. Department of Health and Human Services (HHS) Administration for Strategic Preparedness and Response, Technical Resources, Assistance Center, and Information Exchange ([ASPR TRACIE](#)) invites you to this webinar where our expert panel will provide insights on creating a robust framework that can handle both daily operational issues and large-scale emergencies. Topics will include recognizing when your healthcare facility/system is operating under crisis standards of care and indicators that signal this transition, considerations for effectively managing care to ensure ethical and efficient decision-making, and lessons learned from staffing and supply challenges associated with the COVID-19 pandemic and other critical incidents.

PARTICIPANTS

Welcome and Introductions: Rachel Lehman, Director (Acting), ASPR TRACIE

Moderator: John Hick, MD, Hennepin Healthcare and ASPR TRACIE

Panelists:

- **Jeffrey Dichter, MD**, Associate Professor of Medicine, University of Minnesota; Chairperson, Minnesota COVID-19 Statewide Critical Care Workgroup; Chairperson, Scientific Advisory Team, Minnesota Department of Health
- **Vikramjit Mukherjee, MD, FRCP (Edin)**, Associate Professor, NYU School of Medicine; Chief, Critical Care, Bellevue Hospital; Director, Special Pathogens Program, Bellevue Hospital
- **Matthew Wynia, MD, MPH, FACP**, Director, Center for Bioethics and Humanities University of Colorado; Professor, University of Colorado School of Medicine and Colorado School of Public Health

REGISTRATION

[REGISTER HERE](#) for this free webinar; it will also be recorded and archived on the ASPR TRACIE website. Each registrant will receive a unique link needed to access the webinar. **Please note:** *The link can only be used on one computer; registrants should not forward their registration confirmation emails to others.* Registration is limited to the first 1,000 participants. Where possible, register once per office/organization and view the webinar as a group to allow the maximum number of participants.

Audio: You can use your computer microphone and speakers (VoIP) or telephone. A phone number and PIN will be provided after logging into the webinar.
